Opportunity to Enroll for Fall 2018
Vertically Integrated Project (VIP) 1 Credit Course:
RK-12: FOSTERING A CULTURE OF POSITIVE RELATIONSHIPS AND KINDNESS IN RURAL SCHOOLS

Earn credit by participating in training institute for Schoolwide Positive Behavioral Interventions and Supports

Students learn best in environments that are safe and supportive, and the College of Education at Boise State is committed to helping schools in Idaho to create settings that allow all students to succeed.

Students will participate as a mock “school team” alongside current administrators, directors, teachers, and counselors.

The objective of the Tier I SWPBIS Training Institute is to guide participating teams to create proactive systems of behavior instruction and management that include:
(1) Defined behavioral expectations
(2) Direct instruction of behavior expectations
(3) A reward system for appropriate behavior
(4) A continuum of consequences for problem behavior
(5) A continuous collection and use of data for decision making

*There will be an opportunity to participate in Part II: Day 3-4 of the SWPBIS Training Institute and to enroll for a Spring 2019 1-credit VIP course. These final two days of training will be held on January 9-10, 2019.

Here is how to join the team:
